

# Index

Abandoned mine workings	163	Aluminium	
Abbreviations	xiii	cladding	521
Access covers & frames		external doors	523
manholes	226, 377	glazed internal walls	525
Access platforms	121	glazed partitions	525
Access roads		patent glazing	512
provision & placing of concrete	410	roof covering	515
Access shaft		roof decking	511
excavation	299	Anchorage	
linings - concrete and formwork	300	ground anchors	159, 403
Access staging		Ancillary building works	501
staging	133	Angles of repose	623
towers	133	Annealed wire	40
walkways	517	Annual holiday with pay	35
Addresses for information		Anti-condensation paint	319
tables & memoranda	721	Anti-static floor finish	529
Aftercare & maintenance		Arrows	
planting	479	road markings	424
Aggregates	87	Ashlar masonry	
Aggregate Tax	697	portland whitbed	313, 472
Agricultural buildings	576	Asphalt	
Agricultural tractors	122	extruded channels & kerbs	284
Air conditioning	534	floor finish	528
Air tools	144	paver	122
plant costs		roof covering	510, 511, 515
Airport buildings	575	tanking	324
All-in labour rates		Bailey bridges	588
allowances for skill & conditions	33	Balustrading to stairs & walkways	518
allowances for weekly bonus	35	Bar reinforcement	
annual holiday with pay allowance	35	high yield steel	198, 281, 457
bonus allowances	34	material costs - straight/bent	40
citb levy allowances	35	mild steel	198, 280, 458
employer's liability allowances	35	stainless steel	198, 457
labour costs	35	Bases, footings, pile caps & ground beams	
national insurance allowances	35	placing of mass concrete	191, 453
plant servicing time allowances	35	placing of reinforced concrete	192, 454
public holidays with pay allowances	35	Basic material prices	39
quality assurance policy allowances	35	Basic rates of pay	33
safety policy allowances	35	Beams	
skill & conditions allowances	33	concrete encased steelwork	507
subsistence allowances	35	formwork (outputs)	598
travelling allowances	34	in-situ concrete	507
All risks insurance	22	placing of concrete	
Alumina cement	51	prestressed concrete	192
		reinforced concrete	192

Beams - continued		Boilers	
precast concrete	204, 454	plant costs	142
steelwork	100, 242, 459	Bollards	
Beany block kerb/drainage block	72, 283, 415	average unit costs	539
Bearing capacities of soils	625	precast concrete	426
Bench seats		steel	426
precast concrete	426	Bolts	
steel	426	miscellaneous	80
street furniture	426	woodwork	251
timber	426	Bonds	21, 22
Benching to manholes		Bonus payments	34
provision & placing of concrete	226, 377, 600	Bored in-situ reinforced concrete	
Benefits scheme		piling	255, 435, 438
all-in labour rates	35	Box girder main members	
working rule agreement	33	steelwork	459
Bitumen		Bracings	
macadam	279, 409	steelwork	242
quarry products	88	Breaker steels	
spray applied	515	consumable stores	55
Bituminous		Breaking out	
painting	83	brickwork	594
Bituminous screeds		concrete	594
roof coverings	510	masonry	594
Bituminous spray		pavement	405, 594
flexible pavements	280	Brickwork	
road construction	412	average unit costs	41, 303, 467
tack coat	412	basic material prices	39
Blast cleaning		class A engineering bricks	307, 468
steelwork	243	class B engineering bricks	308, 469
Blasting boulders		common bricks	41, 304, 467
rock removal	187	Dritherm cavity insulation	315
Blinding		Expamet reinforcement	314
placing of mass concrete	191	external walls	518
provision & placing of concrete	189	facing bricks	305, 469
Block		fair facing work	304
kerbs	71	Hyload damp proof course	314
paving	73, 672	internal walls	524
Blockwork		joint filler	315
average unit costs	303, 470	manholes	226, 377
basic material prices	39	movement joints	315
dense aggregate	42, 311, 471	partitions	524
external walls	518	Bridge bearings	
internal walls	524	laminated elastomeric rubber	464
lightweight aggregate	310, 470	mechanical guide	464
partitions	524	plain rubber	464
paviors	277, 413, 538	pot, fixed and sliding	464
tables & memoranda	635	testing	465
wall ties	315		

Bridgeworks	579	fire resistant	531
Build in pipes etc.		paint	530
common brickwork	305	plaster	530
dense aggregate blockwork	311, 471	plasterboard	530
engineering brickwork	307	Supalux	531
facing brickwork	305	suspended ceilings	531
lightweight aggregate blockwork	310, 470	timber boarding	531
Builder's work services	537	tongued & grooved	531
Building Paper		tyrolean finish	531
roof coverings	512	woodwool slabs	531
Built-up girders		Cement	
steelwork	242,459	admixtures	51
Bulbs		alumina	51
planting	181, 478	bentonite	51
Bulkage of materials		ordinary portland	51
tables & memoranda	622	rapid hardening	51
Bus/coach stations	575	sulphate resisting	51
Bush hammering		Cement & sand screeded floor finish	528
external walls	521	Cement paint to external walls	521
Cabling		Ceramic tile floor and wall finishes	344, 527
communication	433	Cesspools	
feeder pillars	432	Klargester cesspools	92
joints and terminations	431	Chains	
lighting	430	consumable stores	54
tiles	430	Channels	
trench	430, 433	extruded asphalt	284
Canals		polymer	85
dredging	168	precast concrete	283,414
Capital allowances	703	steel	100
Car parking	538, 575, 584	Charges & fees	
temporary	399	preliminaries & general items	20
Carbon steel pipes BS 3719		Checklist of items	
drainage below ground	218	preliminaries & general items	15
Carpentry and joinery	335	Chestnut pale	
Carpet/carpet tile		temporary fencing	362
floor finishes	529	Chipboard	
Casings to metal sections		floor finishes	527
placing of reinforced concrete	192	wall finishes	527
Cast iron		CiTb levy allowances	
pipes & fittings	43	all-in labour rates	36
pipes BS 437	216	Cladding rails	
rainwater gutters	44, 331, 514	steelwork	246
rainwater pipes	44, 331, 515	Clay	
Catseye road studs		cable ducts	47, 373
road markings	425	cable tiles	430
Ceiling finishes		channels - manholes	46, 226, 377
acoustic plaster	531	field drains BS 1196	47, 208
Artex	530	grease traps/interceptors	50, 234, 385

Clay - continued		Comparative costs	
imported fill material	87, 395	earth moving	183
laying and jointing pipes (outputs)	599	Comparative costs of equipment	
perforated drains	50, 208, 375	ancillary equipment	186
pipes BS EN 295	45, 49, 208	earth moving equipment	184
tile roof covering	513	excavation equipment	183
yard gully	50, 376	transportation equipment	184
Clear vegetation	164	Compressors	
Close boarded permanent fencing	362	plant costs	124
Closed circuit TV	536	tools	125
Coated chippings		Concrete	
flexible pavements	280	ancillaries	193
road construction	412	basic material prices	51
Coated corrugated steel culverts		cable tiles	430
drainage below ground	236	common mixes	629
Cobble paving		concrete floors	508
average unit costs	538	curing periods	634
paving	74	designed mix	51
stonework	286, 419	dowels	78, 201
Coffer dams	588	drain pipe bedding	239
Cold asphalt		drain pipe haunching	239
flexible pavements	280	drain pipe surrounds	240
road construction	410	encased beams	507
Cold stores	576	encased columns	506
Cold water installations	534	flat roofs	510
Columns		formwork	194, 456
bases - foundations	503	grout base plates	203
common brickwork	304	inserts	203
concrete encased steelwork	506	in-situ beams	507
engineering brickwork	307	in-situ columns	506
facing brickwork	306	in-situ work	188, 453
in-situ concrete	506	internal walls	524
provision & placing of concrete	192, 453	joints in concrete	199, 282, 412
steel	100	manholes	52
steelwork	242, 459	material weight	626
Commercial buildings	575	materials	51
Communications - motorway	433	mixers	126
Compaction		pavements	280
plant costs	120	piling	255, 435, 437
Compaction of fill		pipe support stools & thrust blocks	241
filling	396	pipes to BS 5911	53, 212, 373

Concrete		Contract bond	21
placing of mass concrete	191	Contraction joints in concrete	282, 412
placing of prestressed concrete	192	Contractor design	
placing of reinforced concrete	192	buried structures	474
post tensioned prestressing	202	Contractors	
precast	204, 454	non-time related charges	18, 26
prescribed mix	51, 630	plant costs	117
provision & placing	453	preliminaries & general items	15
ready mixed	51, 596	time related charges	16, 24
pumps	126	Conversion tables & factors	603, 607
reinforcement	192, 459	Copings	
retaining walls	578	common brickwork	304, 468
roads and pavings	281, 411	engineering brickwork	308, 468
roofs	510	facing brickwork	306, 470
safety barriers	366	precast concrete	312, 471
skips	127	Copper lead conductors	
sprayed or brushed waterproofing	327	lightning protection	432
staircases	517	Corner cube road studs	
stools and thrust blocks	241	road markings	290, 425
structural	452	Corrosion protection of steelwork	460
surrounds to services	240	Corrugated steel	
tanks	576	drainage below ground	373
tile roof covering	513	Cost & tender price indices	
vibrators	126	constructed cost indices	551
walls	191, 453, 518	indices for formula adjustments	550
		price adjustment indices	547
waterstops	200	road construction price indices	553
weights	626	Cost estimate	
Conditions of contract		outline of estimating & tender	
initial appraisal	7	process	10
Connections - drains	376	Covers & frames	
Consequential loss insurance	22	manholes	77
Constructed cost indices	551	Crack inducers	
Construction joints in concrete	282, 412	miscellaneous	80
Consultants		Cranes	
non-time related charges	26	plant costs	127
site on-costs	24	Crash cushion	368
site requirements	27	Crib walling	
time related charges	24	approximate estimates	578
Consumable stores		basic material prices	60
breaker steels	55	earth retention	60
chains	54	precast concrete	402
cutting discs	54	timber	402
dewatering	55	Cubicles	525
gas refills	54	Cultivation additives	
lube oils	54	compost	76, 176, 476
plant costs	121	fertilizer	76, 176, 476
ropes	54	granular treatments	76, 176, 476

Cultivation additives - continued		road construction	409
herbicide	76, 176, 476	Dense tar surfacing	
manure	76, 176, 476	flexible pavements	280
weedkiller	76, 176, 476	road construction	410
Culverts, cattle creeps, subway units		Dense tarmacadam	
basic material prices	58	flexible pavements	279
coated corrugated steel	236	road construction	409
piped	373	Design of temporary works	9
precast concrete	455	Detector	
Curtain walling		feeder cables	432
external walls	520	loops	425
Curved formwork	456	Dewatering	
Cutting		consumable stores	55
pavements	280, 412	earthworks	187
Cutting Discs		plant costs	139
consumable stores	54	Diaphragm walling	
Cuttings	391	ground stabilisation	158, 450
Cycle stands	539	Disposal	
Damp-proofing		basis of rates	166
Bituthene	325, 463	double handling	174
waterproof render	325	earthworks	170, 393
Dams	577	excavated earth	170, 393
Daywork		hazardous waste	493
application of dayworks	559	installations	533
insurances	561	rock or other hard material	173
introduction	557	Distribution of fuel	
mobilisation	563	daywork	562
schedules of daywork	558	Ditches	
labour	558, 559	land drainage	235
materials	558, 560	Dock levellers	536
plant	559, 561	Doors	
supplementary charges	558, 560	external	339, 522
servicing of plant	561	frames	340
watching and lighting	561	internal	339, 525
welfare facilities	561	Double handling	
Decking		disposal	174
prestressed concrete	205	excavated topsoil	174
timber	251	rock or other hard material	174
Demolitions		Dowels	
buildings	164, 357	concrete	201
walls	165	miscellaneous	78
Demountable partitions		movement joints	466
internal partitions	525	Drainage	
Dense aggregate blockwork		above ground	331
build in pipes etc.	311	allowances	540
walls	311, 471	approximate estimates	585
Dense bitumen macadam		average unit costs	540
flexible pavements	279	below ground	206

Drainage		tools	142
carbon steel pipes BS 3601	218	trench widths (tables & memoranda)	686
cast iron pipes BS 437	216	Ultrarib pvc-u	116, 220
clay pipes BS 1196	208	valves & penstocks	224
coated corrugated steel culverts	236	vitrified clay BS EN295	208, 371
concrete bedding	239	work to redundant drains	165, 387
concrete haunchings	239	Dredgers	
concrete pipes BS 5911	53, 212, 373	floating craft	168
concrete stools & thrust blocks	241	trailing suction hopper dredger	169
concrete surrounds	240	Dredging	
corrugated steel	373	canals	170
dewatering system	187	dock systems	170
drainage pipework	208	general bed lowering	169
ductile spun iron pipes BS 4772	217	harbour beds	169
excavation in mass concrete	237	industrial lagoons	170
excavation in reinforced concrete	237	lakes	170
excavation in rock	237	maintaining shipping channels	169
gullies	234, 385	new channels in tidal location	169
land drainage	235	rivers	170
large bore concrete pipes	214	silted dock systems	170
manholes	226, 377	Drilling & blasting	
non-return tidal flap valves	224	in open cut	186
penstocks	224	in quarry	186
pipe bedding - granular material	238	in rock	186
pipe bedding - imported sand	238	in trenches	186
pipe bedding - mass concrete	239	rock removal	187
pipe connections	236	Drying	
pipe constants (table and memoranda)	684	plant costs	143
pipe haunching - mass concrete	239	Duct covers	
pipe jacking	238	Stelduct	247
pipework	208	Ductile spun iron	
pipework protection	238	pipes BS 4772	217
pipework supports	237	Dumpers	
polymer drain channel	85	plant costs	137
protection to pipework	237	Durbar flooring	
pvc-u fittings	111	steelwork	245
pvc-u rainwater pipes	331	Dynamic compaction	
redundant drains or sewers	165, 334	ground stabilisation	162, 401
renovation of sewers	334	Earth	
Safeticurb channels	283, 414	moving	
sand, band & wick drains	160	excavation equipment	183
sewer renovation	334	earth moving equipment	184
soft spots	237, 386	excavation by backacter	391
subsoil	111	excavation by hand	185
supports & protection	237	excavation by pneumatic	
tables & memoranda	684	equipment	186
testing kit	56	load material	186

Earth - continued		Edgings	
transportation equipment	184	basic material prices	73
preparation of filled surfaces		precast concrete	283, 414
excavated surfaces	172	Electrical services installations	534
filled surfaces	176	Electrical supply	691
retaining walls	578	Electrical work road lighting & signs	430
retention and stabilisation		Ellis trief safety kerb	
approximate estimates	578	precast concrete	283, 415
crib walling	60, 578	Emergency lighting	535
gabions	59, 578	Employers	
rods	432	liability insurance	22
support		non-time related charges	19, 28
approximate estimates	590	preliminaries and general items	13
earthworks	174	time related charges	19, 27
manholes	226, 377	Enamelled steel	
Earthworks		internal walls	525
average unit costs	166, 389	partitions	525
crib walling	402	Entrance matting	530
cuttings	391	Entrance screens	523
deposition	393	EPDM membrane	
dewatering	187	roof coverings	516
disposal	393	Epoxy	
disposal - excavated material	173	floor finishes	528
disposal rates	389	painting of steelwork	243
dredging	168	Erosion control mat	
drilling & blasting in rock	186	geotextiles	179
earth moving	183	Erosion protection	
earthwork supports	174	geotextiles	179
excavation	166	Excavated material	
excavation for cuttings	391	disposal outputs	593
excavation for foundations	171	weights (tables & memoranda)	620
excavation for structures	391	Excavated rock	
excavation for water courses	392	filling	176
excavation rates	389	Excavated surfaces	
excavation to general areas	172	treatment of surfaces	172
filling	392, 396	Excavated topsoil	
gabions	402	double handling	174
general excavation	172	Excavation	
geotextiles	177	access shafts	299
ground anchorages	403	alternative soil conditions	389
horticultural works	180, 476	backacter	170, 183
labour gang rate allowances	167	bulldozer	172
landscaping	180	cable trench	430, 433
membranes	177, 396	completion of formation and	
support	172, 625	sub-formation	400
tables & memoranda	601	cuttings	391
treatment of surfaces	172	disposal	166, 389
trial pits	404	dragline	183

Excavation		paved areas	537
earthworks	171	planted areas	537
excavation	166, 389	precast paviers	537
excavation rates	389	screen walls	537
face shovel	183	seeded areas	537
foundations	171	shrubs	537
general areas	172	tables & memoranda	670
ground conditions	166	telephone ducting	539
hand	185	trees	537
hard material	387, 392	vehicle barriers	539
lining watercourses	401	water mains	537
manholes	226, 377	york stone paving	538
multi-purpose loader/back hoe	183	Externally illuminated signs	
plant costs	120	traffic signs on gantries	423
pneumatic equipment	186	Extra cost of reinforcement in slabs	505
road lighting	430	Extruded asphalt	
tables & memoranda	620	channels	284
tractor loader	174, 183	kerbs	284
tunnels	299	Fabric reinforcement	
water courses	392	high yield steel	198, 457
Excavation gang		material costs	40
labour gang rate allowances	167	Facing brickwork	41, 305, 469,
Expansion joints in concrete	282, 412		518
Expansion joints & sealing of gaps		Factories	576
to bridge deck	466	Fair faced	
Exposed aggregate		formwork	195, 456
external walls	521	wall finishes	527
External doors & windows	522	Fees	
External furniture	538	consulting engineers'	567
External lighting	539	preliminaries & general items	20
External services	539, 585	quantity surveyors'	571
External works		Felt	
bollards	539	roof coverings	515
brick paviers	538	Fencing	
bus stops	539	average unit costs	328, 360
car parking	538	basic material prices	61
cobbles	538	environmental barriers	360
drainage allowances	540	gates and stiles	330, 362
electric mains	539	pedestrian guard rails	329, 369
external furniture	539	safety	329, 366
external lighting	539	tables & memoranda	679
external services	539	Fertilizer	
fencing	539	cultivation additives	180, 476
flag pole/staff	539	landscaping	76
garages	538	Field drains BS 1196	
gas mains	539	clay	208
granite setts	538	Field gate	
guard rails	538	permanent fencing	362

Filled surfaces		Fix only equipment	
treatment of surfaces	176	motorway communications	433
Filling		Fixing reinforcement	
compaction of fill	396	outputs	597
earthworks	393	Flags	
embankments	394	paving	73
environmental bunds	394, 395	tables & memoranda	676
excavated earth	174	Flat roofs	
excavated rock	177	concrete	510
french & rubble drains	235	precast concrete	510
imported armour stones	395, 396	timber	509
imported graded fill	394	Flexible construction	
imported granular material	394	roads & paving	278, 408
imported topsoil	174	tables & memoranda	675
landscaped areas	394, 395	Flexible pavements	
shore protection	395, 396	bitumen macadam	279
structural concrete foundations	394, 395	bituminous spray	280
structures	394, 395	coated chippings	280
Filling abandoned workings		cold asphalt	280
mines	163	dense bitumen macadam	279
Filter drains		dense tar surfacing	280
clay perforated pipes	208, 375	dense tarmacadam	279
Fin drains	375	rolled asphalt	280
Finance costs - contract investment		slurry sealing	280
oncosts & profit	543	Floor finishes	
Finishing surfaces		access/computer	530
concrete	203	acrylic polymer	528
Finishings		Altro safety	529
ceiling	530	anti-static	529
decorations	531	asphalt	528
floor	527	carpet/carpet tile	529
wall	526	cement & sand screeded	528
Fire		ceramic tile	529
alarms	536	chipboard	527
doors	525	composition block	529
extinguishers	536	computer/access	530
ponds/lagoons	576	entrance matting	530
proof partitions	525	epoxy	528
protection and decoration	531	flexible sheet	346
resistant ceiling finishes	531	granolithic	528
shutters	523	latex levelling screed	527
staircases	517	latex non-slip	528
Fittings		polyester resin	528
kitchen fittings	532	polymer	528
office furniture	532	power floating	527
shelving	532	quarry tile	528
signs	533	rubber tile	529

Floor finishes		steelwork	234, 385
skirtings	530	French & rubble drains	
softwood	527	filling	235
surface hardener	527	Fuel consumption	
Synthanite	528	plant costs	120
tile	529	Fuel distribution	
vinyl sheet	529	daywork	562
vinyl tile	529	Furniture & fittings	
Flooring		average unit costs	532
open grid	247	Gabions	
plate	245	approximate estimates	578
Fog warning - motorway communication	434	average unit costs	402
Foot bridges	579	basic material prices	59
